WOMEN'S FIELD HOCKEY

The first girl's intercollegiate Hockey team at Muhlenberg college was a great success. Under the able coaching of Miss Jean Hecht, the coeds not only went undefeated but also unscored upon in four encounters.

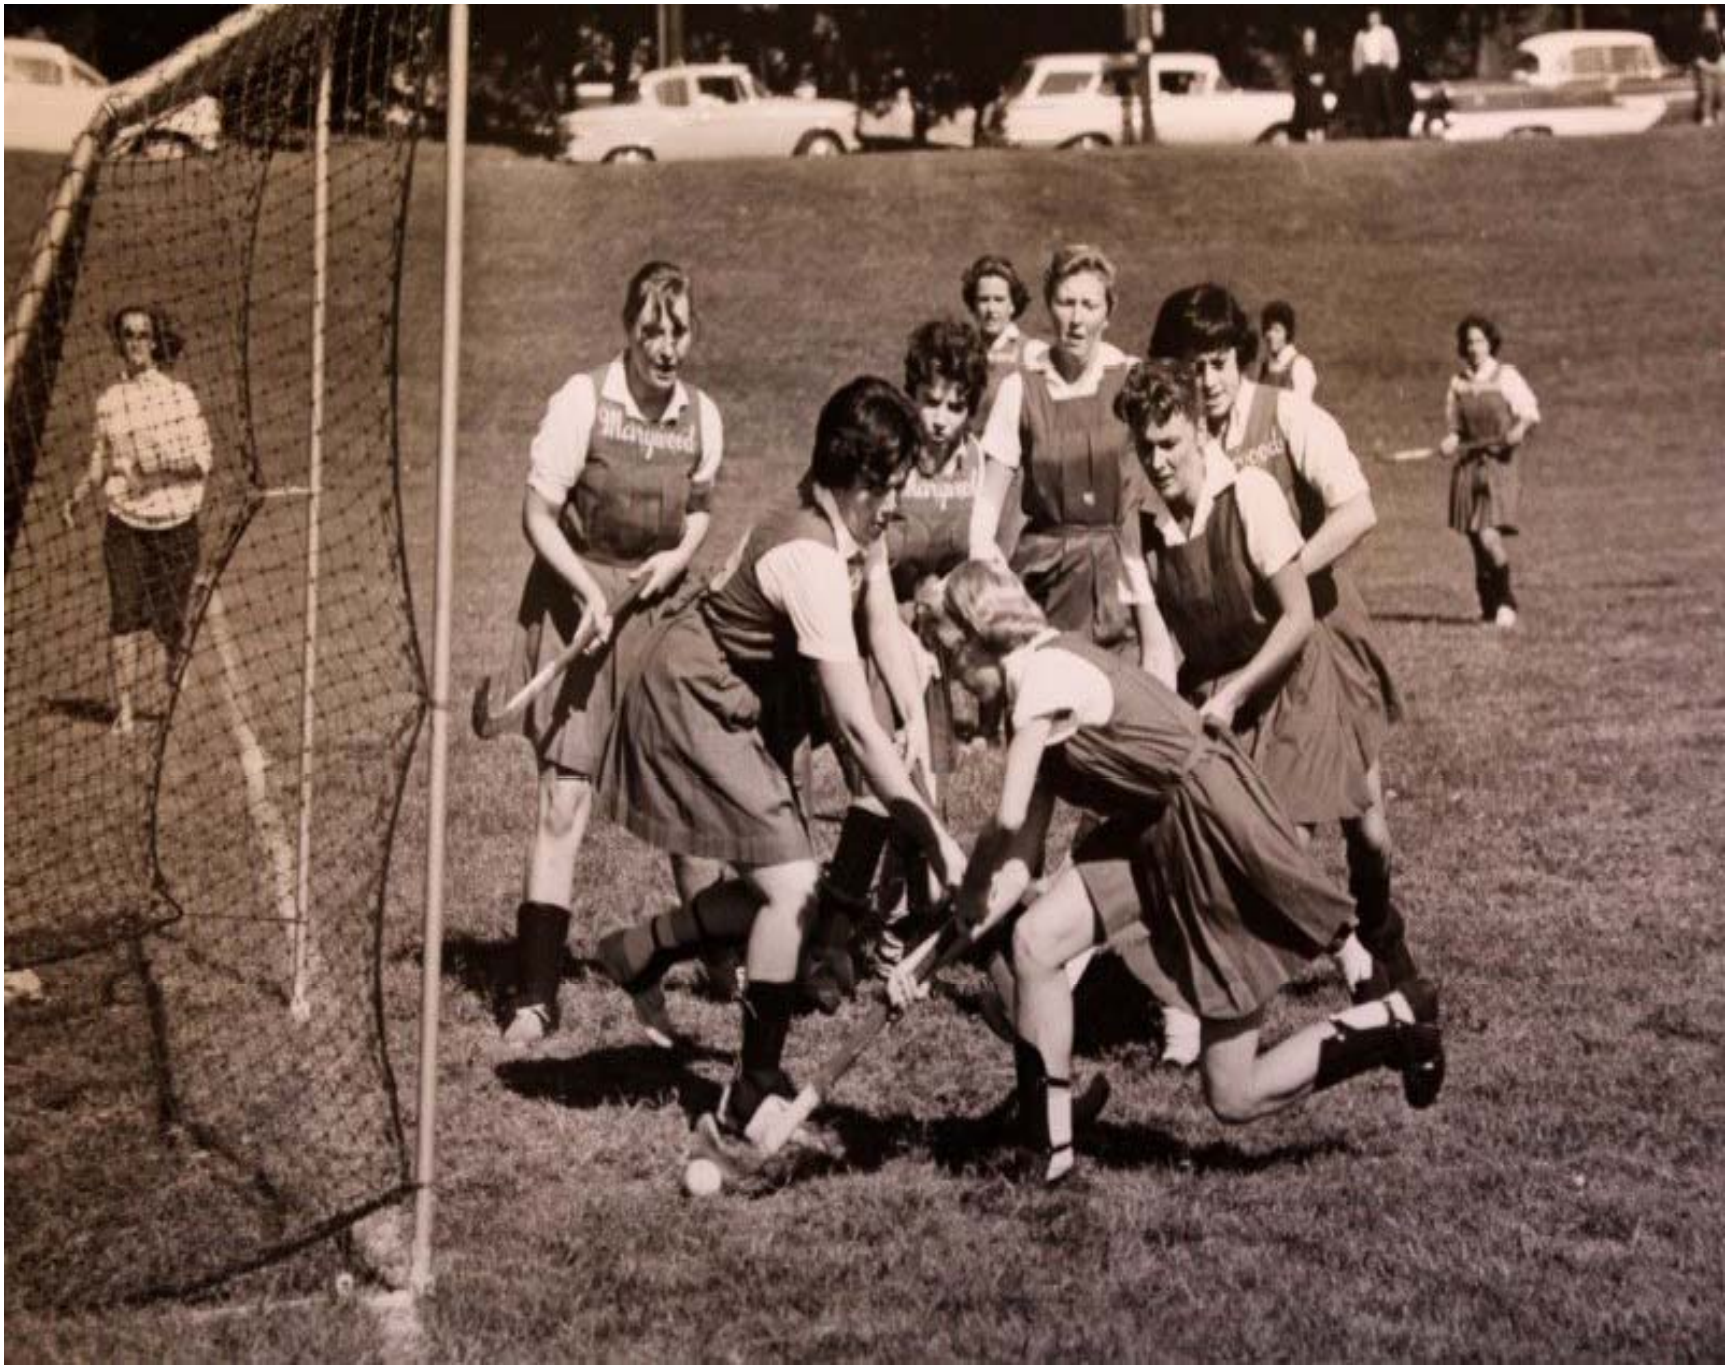

The coeds opened their season at home with Marywood College of Scranton. Berg completely dominated the game as Carol Emhardt, Sonya Diamenti and Ruth Smith each scored two goals apiece. Marywood could not penetrate the coed's defense and never got past our 25 yard line. The final score was 6-0.

The second straight shutout win was at home against Moravian, 4-0. High scoring Carol Emhardt tallied 3 times. Mary Jo Benning added the other marker. The final score, 4-0.

The coeds took to the road to gain their third straight win at Marywood College in Scranton. Again the Berg defense prevailed and the coeds rolled to an easy 3-0 win. Carolyn Seeburger, Ruth Smith and Carol Emhardt scored for the Mule coeds.

The coeds traveled to Bethlehem to face Moravian in the last game of the year. They managed not only to stay unbeaten but also unscored upon as they downed the Greyhound coeds 4-0. This gave the Berg coeds a perfect 4-0 record with no goals scored against them.

The great season the coeds had is even more pleasing when you note that there was not one senior. The whole squad including Kay Acosta, Joelyn Borelli, Meredith Bottum, Carol Emhardt, Lona Mae Farr, Josephine Haubner, Barbara Nace, Louise Niebaum, Carolyn Seeburger, Ruth Smith and Paine White will be back.

WINNING SEASON—'Berg's first coed field hockey team won all four scheduled games, beating both Marywood and Moravian in return matches. The team also was not scored upon. Of the 15 goals scored by Muhlenberg, Carol Emhardt of Oreland, an outstanding player, led the gals with eight goals. Muhlenberg also competed in two play days with Moravian, Albright, and Kutztown State Teachers College. Pictured here (left to right) are Carol Emhardt, Carol Decker of Allentown, team manager and also a player, and Coach Jean Hecht.

CLOSE COMBAT—Unidentified players of the Muhlenberg College and Marywood College of Scranton girls field hockey teams engage in close combat yesterday. Muhlenberg opened its first season with a 6-0 victory on two goals each by Carol Emhardt, Sonya Diamenti and Ruth Smith. The Marywood girls never got past the Muhlenberg 25 yard line.

Muhlenberg College Women's Varsity Field Hockey

Women's Varsity Sport participation dates back to fall 1959 when Miss Jean Hecht and fourteen young co-eds stepped on Hagen Field (site of the Trexler Library) for the very first women's varsity field hockey contest against Marywood College of Scranton.

Although they were few in number, they had great intensity and dedication. The schedule was modest, but remember at that time many of our current competitors had not yet gone co-ed. Lehigh and Lafayette did not make the transition until the 70's and Kutztown was still participating in Play Days. So the four game schedule was a beginning and what a beginning - undefeated and unscored upon! Two of our current Hall of Famers, Carol Emhart Kuntzelman and Ruth Smith were high scorers with 'Berg accounting for seventeen goals to the opponent none. In the first game of the season played at 'Berg, the co-eds breezed by Marywood 6-0, the first away game was played at Moravian ended at 4-0. The second game of the home and away at Marywood was 3-0, and the season finale Moravian at home was a 4-0 victory. Stats were simple in those days - 17 goals for Muhlenberg - none for the opponents; four wins in four games played.

Much credit should be given to Athletic Director, Raymond Whispell for his foresight in recognizing the importance of collegiate sports for women. Not only would this sports' program provide a wholesome outlet, but also serve as a valuable recruiting tool as high school programs grew and flourished.

Basketball and tennis were added that same year and many of our athletes played all three sports. Jean Hecht's records for the next seventeen years are

Row one, l. to r.: A. Haupt (manager), R. Smith, P. Missimer, C. Emhardt, L. Neibaum, D. White, J. Borelli, C. Decker (manager). Row two: T. Fenstermacher, E. Small, B. Nace, B. Kidd, M. Boenning, B. Buchholz, L. Farr, J. Distlefink.

GIRL'S HOCKEY

For the second year in a row, the Muhlenberg college girl's hockey team, under the able coaching of Miss Jean Hecht, had a successful season. They went undefeated in five out of six games, tying in one encounter.

The season started off well with a home game against Moravian. The coeds played a good game, winning by a score of 3-0. The goals were scored by Barbara Buchholz, Carol Emhardt, and Ruth Smith.

The second game was also played on the Muhlenberg field against the girls from Marywood college of Scranton. The Muhlenberg coeds shut out the Marywood team by rolling up a score of 7-0.

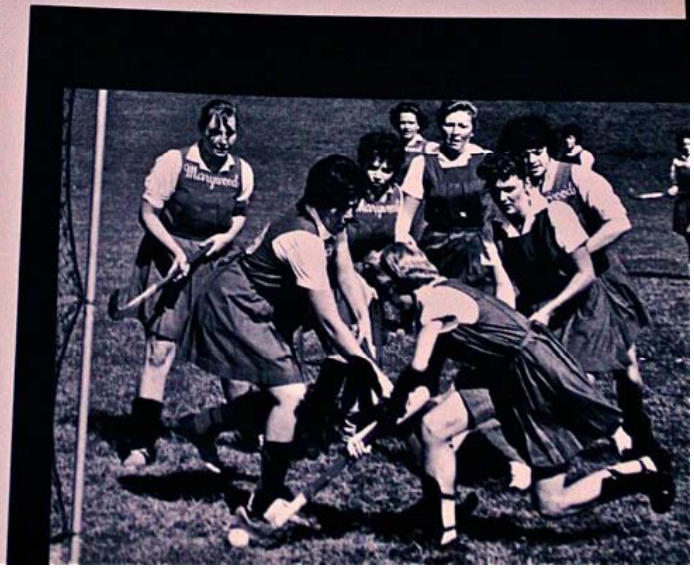

Scranton was the site of the third game of the season when the team met the girls from Marywood once more. Although the Muhlenberg coeds played a hard game and brought home a well deserved victory, they were scored upon for the first time in their two seasons of playing. The final score was 3-1, with Carol Emhardt, Ruth Smith, and Barbara Buchholz each scoring. The center forward of Marywood was able to push past the Muhlenberg defense in the second half to score the first goal against the previously unscored-upon coeds.

The team traveled to Bethlehem to play Moravian in their fourth encounter. They managed to stay undefeated by winning the game 3-1, with Marge Boening, a freshman, scoring once along with Barbara Buchholz and Carol Emhardt.

The fifth game found the coeds on the road once more as they traveled to New Jersey to meet Centenary for the first time. This was a dark day for the coeds as they managed only to tie the girls from Hackettstown. Although Muhlenberg was winning 2-0 at the end of the first half, in the second half they were scored against twice by the Centenary right inner, Eubenspiegal.

In the final game of the season, the coeds met Centenary on the Muhlenberg field. At this time, in spite of a freak snow storm, the Muhlenberg girls were able to roll up a 4-1 score against their opponents, with Carol Emhardt scoring three times and Ruth Smith scoring once.

Carol Emhardt was high scorer for the season, making a total of 10 goals. She, along with seven others of the team, including Marge Boening, Barbara Buchholz, Ruth Smith, Lona Farr, Ellie Stevens, Barbara Nace, and Betsy Kidd will be returning next year. The senior members of the team this year were Joeli Borrelli, Diane White, Patricia Missimer, Louise Nebaum and Meredith Bottum.

Row one, l. to r.: A. Haupt (manager), R. Smith, P. Missimer, C. Emhardt, L. Neibaum, D. White, J. Borelli, C. Decker (manager). Row two: T. Fenstermacher, E. Small, B. Nace, B. Kidd, M. Boenning, B. Buchholz, L. Farr, J. Distlefink.

Students Want To Get In
Teachers Want To Get Out
What Do You Want . . . ?

The colleges and universities of America face a crisis.

STUDENTS WANT TO GET IN! . . . Enrollments are spiralling faster today than our universities and colleges can take care of them . . . Facilities and Faculties are woefully inadequate to keep pace with rising social and population pressures . . . And the prediction is that ten years from now the problem will be twice as acute as it is today.

TEACHERS WANT TO GET OUT! . . . Not because they don't like teaching . . . There are no more dedicated men and women than those who train the minds and stir the imagination of our children . . . They want to get out because they have an obligation to their own children and they cannot discharge this obligation on starvation pay.

WHAT DO YOU WANT? . . . Do we want our sons and daughters to be denied access to the vast repositories of knowledge for want of the money to pay for it? . . . Should the educational facilities and opportunities of the richest nation on earth be curtailed by inadequate and obsolete accommodations and spiritually depressed by the anxieties of impoverished professors?

Seats of learning are no good without seats.

And professors are better without worries and debts. Be good to the college you prefer for your children. Be quick and be liberal.

Stumbling Block . . .

Unnoticed in the excitement of homecoming weekend was a small incident that occurred Saturday night at 23rd and Gordon streets. At approximately 7:45 p.m. a middle age couple were crossing 23rd street on their way to the campus. Just as they approached the path leading into the College, a soft but fearful scream was heard. The woman was trying to help the man who had just tripped over one of the boulders that had been placed along 23rd street at Gordon. The light that was available at this part of the campus, was not sufficient to reveal the extent of injury to the man but a bloody gash on the side of his head could be seen. The man's lone comment was, "They had no business putting that rock there."

This is probably the first incident that has occurred because of these rocks, but it is not necessarily the last. The lack of light at this path at 23rd and Gordon has been an encouragement to injury for several years. However, insufficient lighting evidently is not enough to encourage a mishap. Boulders which supposedly are serving the purpose of solving the parking problem on 23rd street have been added to further hamper an attempt to traverse the campus from 23rd street.

The remark. "They had no business putting that rock there," is a very applicable statement. Or, if it isn't, what is the business of these rocks which are encouraging injury in a dangerously dark area.

Muhlenberg cross country runners will meet those from Lehigh this afternoon at 3:30 down at Cedar Park.

Jean Hecht — IN THE NEWS

by Jan Horvath

Usually seen clad in white bermudas and white blouse, accented by an ever-present friendly smile is Miss Jean Hecht, girls physical education instructor. Miss Hecht is an alumna of East Stroudsburg State Teachers college and is now working toward her master's degree in education at Temple university.

When not teaching classes at Berg Miss Hecht enjoys reading and participating in sports. Her proficiency in the art of tennis has won for her such honors as Women's Singles Title in the Public Park and City Open tournaments in Allentown and also in the Northwestern Pennsylvania tournament.

Miss Hecht came to Muhlenberg from Parkland high school where she taught for three years. "It took a lot of work to prepare for the first class of girls and most things are still in an experimental state," she revealed, "but I do enjoy teaching at Berg."

A man went to a tennis tournament and sat down on a bench to watch.

"Whose game?" he asked.

A shy young thing on the bench next to him looked up and said, "I am." (THE REVIEW)

Women Beat Centenary In Field Hockey Contest

Barbara Buckholz slaps the ball past a Centenary defender in Monday's contest. Looking on is Ruth Smith.

by Carol Decker

Carol Emhardt played the dual role of player and coach as the Muhlenberg girls beat the previously undefeated Centenary squad 4-1 in a home game Monday.

Due to an accident, Miss Hecht was not able to watch her girls be the first to defeat the Hackettstown eleven in three years.

Tied Wednesday

In an away game last Wednesday, the two teams battled to a 2-2 tie. Centenary's Judy Osgood made the opening goal of the game early in the first half. Game captain Carol Emhardt answered the threat with two driving goals to give Muhlenberg a 2-1 lead at half-time.

A spirited eleven returned to the field determined to increase the score "for Miss Hecht," and did just that. While the defense held Centenary pointless, Carol and Ruth Smith tallied two more goals before a freak snowstorm which made it impossible to do any more real playing.

One More Game

The victory now puts the girls record at 4-0-1. They have one more game remaining on their schedule, Millersville college, today at 4 p.m. on the girls' hockey field.

Hockey Victory Streak Up To Seven With 7-0 Win

Carol Emhardt, surrounded by a host of Marywood players, slaps the ball into the goal.

by Carol Decker

Rolling to an easy 7-0 victory over Marywood college in a home game last Saturday morning, Muhlenberg's hockey team continued its practice of shutting out its opponents. Miss Hecht's coeds still are undefeated, untied, and unscored upon after six games of varsity competition.

A thoroughly unprepared, though game, Marywood eleven allowed three goals in the first half by Carol Emhardt, Ruth Smith, and Barbara Buchholtz, and the same trio of forwards again tallied points in the second half with Carol driving in two more. Berg goalie Barbara Nace was never threatened since Marywood was kept from going over the 25 yard line by the Mule's strong, driving defense.

Representing Muhlenberg on the field were Margie Boenning, Barbara Buchholtz, Carol Emhardt, Ruth Smith, Jolie Borelli, Cookie Farr, Diane White, Pat Missimer, Betsy Kidd, Louise Neibaum, and Barbara Nace.

This afternoon the two teams met again at Marywood, and next Wednesday Muhlenberg will host Centenary at Hagen field at 4 p.m.

Frosh Gridders To Make Debut Against Strong Leopard Team

by Ed Myer

Tomorrow afternoon the Little Mules travel to Easton to open their season against Lafayette. The Leopard Frosh have many top notch performers and they can be expected to have a strong ground attack. Conversely Coach Joe Federico's charges will concentrate on a passing attack in keeping with the new look at Muhlenberg.

Coach Federico also indicated that he hopes to use the two unit system. The squad has suffered only three player losses—all three to injuries—and they appear to be ready both physically and mentally. Expected to be on the field when the opening whistle blows are:

Rich Wetterau and Dave Posivak at the terminals, John Chamberlain and Sam Beidleman at tackles, Bob Martin and Ron Barlok at guards and Elmer Johnson will hold the center duties. Bill Cooperman will direct the attack at quarterback, John Murtaugh and Al Joseph will be at the halves and Bill Beidleman will round out the squad at fullback.

Berg Coeds Hockey Team Wins Third Straight Game Against Marywood, 3-0

Muhlenberg's athletic coeds rolled to their third straight win yesterday against Marywood college in Scranton. The final score was 3-0, marking the third straight whitewash of the year for the Berg coeds.

In the first half of a sloppily played game the Mules managed to pick up a 1-0 lead on a goal by Carol Seeburger. This tight score at the half was in marked contrast to the first game against Marywood in which we won quite easily.

In the second half we broke the game open with goals by Ruth Smith who played an outstanding game and Carol Emhardt, the team's leading scorer.

Our great defense stopped Marywood from taking a single shot.

On Saturday the coeds have a play day at Cedar Crest.

Coeds Win, Undefeated, Unscored On For Year

Here they are, the girls undefeated and unscored upon hockey team. Front row, left to right: Meredith Bottum, Carol Emhardt, coach Miss J. A. Hecht, Louise Niebaum, Josephine Haubner. Back row, left to right: Ruth Smith, Irm Engelhard, Carol Decker, Carolyn Seeburger, Jolie Borelli, Diane White.

Muhlenberg's coeds closed out their season with another win yesterday against Moravian. The score was 2-0 with Carol Emhardt scoring both goals, 7 for the season. This was the fourth straight shutout for our coeds which makes their season record quite impressive.

This was a tough contest in which both teams had many scoring opportunities but the Mules defense which has been tough all year came through again.

Our coeds conceded that this was our toughest game of the season.

Outstanding for Berg besides Carol was Joey Haubner, promising freshmen.

The next tentative date is a playday similar to the one at Cedar Crest last week.

..... Starting Lineup .....

Joli Borelli, Ruth Smith, Carolyn Seeburger, Meredith Bottum, Cookie Farr, Kay Acosta, Louise Niebaum, Diane White (captain for today's game) and Barbara Nace.

Coeds Begin Practice For FieldHockey

Practice is again underway for the Women's Varsity Hockey team's second season of intercollegiate competition. Last year Miss Hecht's girls had the outstanding record of no losses, no ties, and unscored upon in four games.

Returning letterwinners are Joeli Borreli, Diane White, Louise Neibaum, Meredith Bottum, Cookie Farr, Carol Emhardt, last year's high scorer, Carol Decker, Barbara Nace, and Ruth Smith. Newcomers trying for positions on this squad are Sonya Diamonti, Pat Missimer, Mary Hoffman, Maryann Nadig, Marjorie Boenning, Elle Stevens, Barbara Buchholz, Nancy Andrews, Betsy Kidd, and Audrey Houpt, manager.

In addition to games with Marywood, Moravian, and two Playdays, the Muhlenberg girls will also meet a new opponent, Centenary. Opening game will be on the home field Wednesday, October 5, at 3:30 against Moravian College.

Wed.	Oct. 5	Moravian	Home 3:30 p.m.

INSIDE STORY

by Ed Callahan

By now, I guess everyone has heard that the football squad lost to Bucknell in their recent scrimmage. The score was 45-7.

However, the score gives no indication of how the game was played. Except for a few bad mistakes, of which Bucknell took advantage, the game was fairly close.

There were many good and bad points shown by our team. Let's take a look at some of the bad points. First of all, our pass defense was very poor. Bucknell, after scouting us in the first half from the press box, started throwing the ball. And with an excellent passer like Paul Tehres, they were very successful. There was not enough pressure put on the passer by the line and the backs need more work on their defensive maneuvers. You can be sure that the team will be drilled quite extensively on these points in preparation for Albright.

We will also be working on our defensive line play. Bucknell ran a few trap plays which were very successful.

But everything was not so bad. The pass-protection blocking was not bad at all. At times, we also ran the end and tackle holes well.

One thing has to be remembered. This was a scrimmage —not a game. We went out there to win, of course, but a scrimmage is played mainly to find out the weak and strong points of a team. We feel this scrimmage has done just that.

We intend to correct our mistakes and improve our strong points in time to—**BEAT ALBRIGHT.**

CONTEST

Below is the 1960 Muhlenberg college football schedule. The person who comes closest to correctly predicting the outcomes of all the games (scores included) will be awarded two free passes to the movie of his choice.

Rules

All entries must be in no later than 5:00 p.m. Sept. 23.

All entries must be in the suggestion box on the door of the **WEEKLY** office.

All entries become the property of the Muhlenberg **WEEKLY.**

Relatives of the Sports Editor are ineligible to compete.

Hockey Squad Extends Streak With Double Win

by Carol Decker

Marywood college's Mary Jane Hurley batted in the first goal ever to be scored against the Muhlenberg coeds in an away game that ended 3-1 last Thursday. The green and white center forward finally battled through for the point in the second half.

Carol Emhardt added to her growing number of goals with a long, strong drive into the cage soon after the opening bully. Afterwards, the ball changed hands several times, and despite Marywood's efforts to score, the offense out-ran them to increase their lead to 2-0 with Ruth Smith pushing it over.

Last Goal

Following Marywood's record-breaking goal, freshman Barbara Buchholz was our only coed to get through for a point. Marywood proved spirited opponents who had definitely improved since last Saturday when they were whitewashed 7-0.

Playing the entire game for the Cardinal and Gray were Betsy Kidd, Barbara Buchholz, Carol Emhardt, Ruth Smith, Joeli Borrelli, Cookie Farr, Diane White, Pat Missimer, Louise Niebaum, Elle Stevens, and Barbara Nace.

Moravian Defeated

Leading 1-0 at the half, the Moravian girls gave our low-spirited coeds quite a scare in a game played Monday on the Greyhound's field. Led by center Carol Emhardt, the Muhlenberg eleven rallied in the second half and left the

(Continued on Page Six)

Berg Booters Downed By Diplomats, 4 - 1, In Saturday Contest

A large, partisan, homecoming crowd at Franklin and Marshall saw the Muhlenberg soccer team suffer its second defeat of the season. The Diplomats capitalized on Muhlenberg's lack of depth to register their 4-1 victory.

The first half saw a see-saw battle between the two clubs with neither side having the definite advantage. However, by the end of the half the Diplomats held a slight 1-0 lead, the goal scored by Segei Latvik.

Buff Scores

Much to the delight of the crowd Jon Dokes increased the Diplomats lead to 2-0 with a goal early in the third quarter. However, the Mules came right back and brought the count to 2-1 when Chuck Buff scored on a direct kick.

Unfortunately, that was to be the only Mule score of the afternoon. The Diplomats went on to ice the game by scoring two more goals in the fourth quarter.

Starters Out

The Mules were definitely hampered by the fact that three starters were unable to play. Elliot Puritz, starting goalie, and Don Nicol and Bob Kindred, starting inside men were all unable to play because of illness and personal reasons. The team also was hurt by the fact that a few of the players were playing with bad colds and thus could not play up to full capacity.

The loss sets Muhlenberg's record back to 0-2-2.

Procrastinators!!

Take that well deserved

Miss Jean Hecht, Muhlenberg's most frequent user of the tennis courts, came to Berg four years ago via the East Stroudsburg State teachers college and Temple Graduate school.

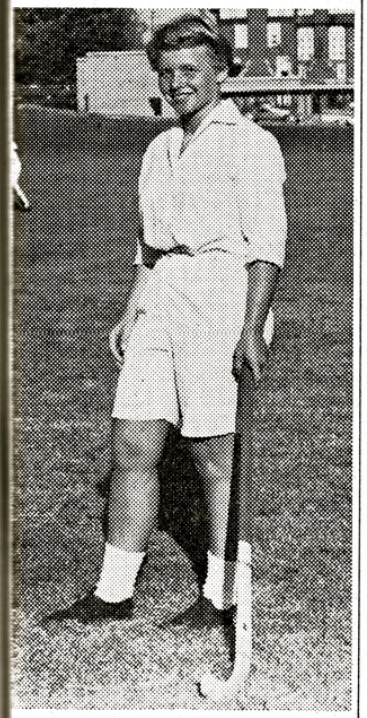

Earned Masters at Temple

As an undergraduate Miss Hecht played hockey and basketball. Her specialty however, was tennis where she excelled.

After ESSTC she went to Temple where she earned her Master of Science degree.

Undefeated Hockey Team

During her tenure at Muhlenberg Miss Hecht has turned out outstanding teams in all the women's sports in which Muhlenberg participates. Her most shining achievement to date has been the women's field hockey team. Over a two year span the hockey team has not lost a game and has had two goals scored against them.

Little known to many Muhlenberg students is the fact that this same Ben Schwartzwalder was once the head coach at Muhlenberg where he led the Cardinal and Gray to their greatest football fortunes. Schwartzwalder's greatest season was the 1946 season when the Mules compiled a 9-1 record capped by a victory over St. Bonaventure in the Tobacco Bowl in Lexington, Kentucky.

Berg Smashes Engineers

The highlight of this most successful season was a 40-7 rout of the traditionally strong Lehigh team. Lehigh was the victim of the Mules sixth consecutive win in an eight game winning skein.

The first quarter ended in a 7-7 deadlock as Lehigh ran back an 85 yard kick after Muhlenberg had scored via a pass interception by Kenny Moyer and the hard running of Jack Crider and Ed Sikorski. The first half ended with the Mules ahead by the score of 13-7.

3 TD's in 4th Quarter

The Mules' power began to show in the second half as Bibighaus scored on a Bell pass making the score 19-7. Bell's pass to Roveda, Crider's pass to Machin, and Machin's run accounted for three Muhlenberg scores in the fourth quarter.

Just to show how great the Mules fared in a national outlook in 1946 take a look at this unbiased report:

Berg beat Lehigh by 33 points, Lehigh beat Connecticut by 10 so the Mules were 43 points better than Connecticut, Harvard beat Connecticut by 6 so the Mules were 37 points better than Harvard, Harvard beat Princeton by 1 so the Mules were 38 points over Princeton, Princeton beat Penn by 3 so the Mules were 41 points over Penn, Penn beat Navy by 13 and Notre Dame only beat Navy by 28, so the Mules were obviously the best team in the country.

Women Beat Centenary In Field Hockey Contest

Barbara Buckholz slaps the ball past a Centenary defender in Monday's contest. Looking on is Ruth Smith.

by Carol Decker

Carol Emhardt played the dual role of player and coach as the Muhlenberg girls beat the previously undefeated Centenary squad 4-1 in a home game Monday.

Due to an accident, Miss Hecht was not able to watch her girls be the first to defeat the Hackettstown eleven in three years.

Tied Wednesday

In an away game last Wednesday, the two teams battled to a 2-2 tie. Centenary's Judy Osgood made the opening goal of the game early in the first half. Game captain Carol Emhardt answered the threat with two driving goals to give Muhlenberg a 2-1 lead at half-time.

A spirited eleven returned to the field determined to increase the score "for Miss Hecht," and did just that. While the defense held Centenary pointless, Carol and Ruth Smith tallied two more goals before a freak snowstorm which made it impossible to do any more real playing.

One More Game

The victory now puts the girls record at 4-0-1. They have one more game remaining on their schedule, Millersville college, today at 4 p.m. on the girls' hockey field.

Late Sport Results
Soccer, X-Country Teams Win

Soccer

Muhlenberg's soccer team broke a two year famine yesterday when they defeated Wilkes college by a 1-0 count on the home field.

Freak Goal

The victory was earned when, late in the first half a Wilkes player, John Booth, accidently booted the ball past his own goalie Gus Lincoln for the only goal of the fray.

The score, however, does not indicate the actual course of the game. The Mules continually outplayed the counterparts from Wilkes, even though they were unable to score.

Avenges Defeat

The victory avenges a defeat, the 1956 season—also over Albright.

In 1957, Muhlenberg lost seven but tied Moravian and, after losing seven in '58, the Mules dropped four meets last season, with a tie with Franklin and Marshall thrown in.

Al Yergey and Tom Chuss finished 1-2 for the Mules of Coach Chuck Thiesen over the 4.3 mile course. Yergey's time was 24:35.

Albright's John Grove finished third, then Muhlenberg's Ollie Breinig, Gordon West and Jim Froelich followed.

The half-time intermission at the Homecoming game with Franklin and Marshall will feature a marathon relay around the campus.
